

# HEINEMANN ADVANCED HISTORY

***“Excellent – this is the best series I have seen in a long teaching career.”***

Mrs Perrin, Head of History, South Downs College, Havant

- ◆ A wide variety of books for topics covering British, European and World History, written for AS and A2 Level students so you can resource the topics you want to teach.
- ◆ Each book contains sample exam questions, advice on what makes a good answer and guidance on how to interpret the questions and plan essays to help your students succeed in their exams.
- ◆ Written by experienced teachers and examiners of A Level History in an accessible format and containing the right depth of content to help your students prepare for their exams.
